GROUNDS FOR RELIEF

The plaintiff's action will be unavailing unless the plaintiff's request for summary judgment is heard and determined almost immediately because, unless local law enforcement is not enjoined immediately from violating the constitutional rights of plaintiff, he will continue to suffer irreparable mental and physical harm, including death, and will be unable to pursue legal remedy in other matters before this Court.

1. Plaintiff's petition is in the nature of mandamus, and requests that this Court order the Federal Bureau of Investigation, a government agency, to perform their duties pursuant to Title 28 U.S.C.S.

§ 1361(b).

2. The defendant has notice of the motion and the defendant could promptly file its response, if any, by May 15th, 2008.

3. Pursuant to Local Rule, prior to filing this motion and appearing in Court, Plaintiff informed the defendant, by correspondence, on May 6th, 2008, that it would seek the relief set out in this motion. The motion papers were immediately furnished to the defendant at the same time.

RECORD ON MOTION

This motion is made on this document, and the petition for writ of mandate already filed in this action, including the motion for summary judgment filed simultaneously with this request for expedited consideration.
